

K-Love Radio is very important to me and my family. We listen to it daily because it provides a music and talk format that is wholesome and that all my family members listen to and enjoy, without having to hear the offensive language that most other stations play.

I believe that if K-Love Radio is displaced by LPFM stations, we will lose a positive, encouraging part of our lives that it seems, most mass media would like to do away with. K-Love meets the spiritual needs of people that will not be met, if it is displaced.

K-Love meets a vital public interest by assisting listeners in meeting their spiritual needs. About 80% of Americans believe in God and being one of those 80%, K-Love meets my needs as well as 100s of thousands of other Americans. Thank you for your consideration and may God bless and guide the FCC.
